

Claims Management

PEACE OF MIND MATTERS

Trust Claims Management to the Experts

Handling claims management in-house isn't easy. There are time-consuming tasks, deadlines to adhere to and data that must be handled properly. With our PEOs, you'll have peace of mind knowing that claims are being handled professionally, accurately and timely.

For comprehensive claims management, our PEOs offer:

- Fully staffed, licensed and certified claims managers in all states
- Dedicated live claims support 24/7, including weekends
- Dedicated First Report of Injury intake programs
- Advocacy with carriers for prompt attention and reduced claims
- Reduced claims costs through dedicated support and follow-up
- Aggressive programs to get your employees back to work sooner
