

Workers' Compensation

STABILIZE COSTS AND REDUCE ADMINISTRATIVE BURDENS

Workers' Compensation Coverage and Claims Resolution

With workers' compensation solutions from our PEO partners, you can benefit in the following ways:

The Coverage You Need

Count on our PEOs for workers' compensation coverage from A-rated carriers, with pay-as-you-go premiums and no year-end audits.

Stabilized Costs

A trusted partner works with you as a co-employer to lower your workers' compensation costs. You benefit from the collective bargaining power of the PEO and guidance from experts who can help you keep your costs low.

Proactive Loss Prevention

A dedicated risk management team helps ensure your business is up to par in every safety aspect.

Certificate of Insurance

When you need proof of workers' compensation coverage, simply call or fax our representatives. Most requests are handled within 24 hours.

Quick and Easy Claims Administration

A claims specialist assigned to your business can help you reduce the likelihood of a claim. But if you do experience a claim, we will walk you through every step.
